## POLITICAL ANNOUNCEMENTS

## For Circuit Judge

The Interior Journal is authorized to announce Charles A. Hardin as a candidate for Circuit Judge of the Thirteenth Judicial district, at the election to be held November, 1911, subject to the action of the Demo-

Ben Johnson opened his campaign for the democratic nomination for Governor at Bowling Green this week. The press dispatches gave the names of a number of his supporters who were with him, but by some strange omission that of "Judge" Henry B. Hines was missing. We understand the "Judge" is an active supporter of Johnson, but opine that the Nelson county man will hardly ask Hines to manage his campaign after the latter's sagacious exhibition in charge of the Hager race. And I do seem that Johnson is not too anxious to have it known that Hines is for him, although the latter is said to wield quite a powerful hand in Warren county politics. We haven't noticed either that the Johnson organs are reporting about that Sam Shuckelford, the professional lobbyist at Frankfort for the tobacco trust, and many other "interests," is also a very strong Johnson adherent. A number of others of this ilk in Kentucky are also strong Johnson men. There's a reason. What is it?

The tobacco growers should not become discouraged over the cessation of buying here just now, but hold their crops until the demand becomes active again, which it is sure to do. The tobacco buyers in this and other counties were loud in their protestations that the success of the pool had nothing to do with the market for tobacco or the prices obtained, and promised just as good prices whether the pool stood or lost. We believe that they will not make their promises good, for if they don't they must acknowledge that they deceived the growers. Sit steady in the boat and don't sacrifice your tobacco at a lower price than it is worth.

Why is it that when there are two newspapers in a community, they nearly always feel inclined to take opposite sides of every question? Now in Danville the Advocate came out for McCrory for Governor, and now the Messenger is falling over itself throwing bouquets at Ben Johnson, when we know that Editor Lewis Landram's natural sympathies are bound to be with the Eighth district's candidate. Wonder if Charley McDowell's influence is so strong with the Messenger as to account for its attitude?

State Senator W. V. Eaton, of Paducah, has publicly announced that at the next session of the General Assembly he will work for a direct primary nominations law. The sentiment is growing in Kentucky for an election law which will give every man a chance to run for office if he desires, no matter how poor he is, and a law which will put the bosses out of business. In the direct primary both parties nominate their candidates on the same day and the state pays the expense.

Estimates of a cut of \$14,000,000 in running expenses of the Government were reported to President Taft by the heads of departments. The President was gratified but declared there must be a still deeper cut. Rather peculiar that nothing was heard of economizing in expenses until the democratic landslide shook things up.

## Wedding In Rockcastle

LITTLE DAN CUPID BUSY IN NEIGHBORHOOD

The little God of love, Den Cupid, not satisfied with a plentiful harvest in Lincoln this fall, is now "dead-end" over the Rockcastle line, and extending his operations. The signal tolls of these weddings of interest in Lincoln where the principals are well known.

## Martin—McKenzie.

Mr. C. B. Kenzie, senior member of the firm of McKenzie & McElroy, and Miss Virginia Martin, youngest daughter of Mr. and Mrs. S. H. Martin, boarded the 12:19 train Thursday morning for Jellico where they were united into the holy bonds of matrimony. In this case, it was unlike that of J. B. McKenzie, a younger brother and Miss Davis, who eloped the night before, it was the carrying out of the quietly laid plans of which the parents of both parties were fully aware. They were joined at Jellico by Mr. and Mrs. J. B. McKenzie and after the ceremony was performed both couples boarded the train for Knoxville where they will remain until tomorrow, when they will return to Mt. Vernon.

## Davis—McKenzie.

It came as a little surprise to the majority of people when the news flashed over town Wednesday morning that Miss Annie Davis, daughter of Mr. W. A. B. Davis, and J. B. McKenzie, a son of Mr. Jonas McKenzie, had eloped to Jellico on the midnight train where they were made man and wife. The bride is a very attractive and winning young lady of eighteen summers, and the groom who is only a few months her senior, is a successful groceryman located on Church street.

Stanford women should profit by the following experience.

Mrs. J. W. Timbly Danville, St. Lancaster, Ky., says: "My experience with Dr. Caldwell's Kidney Pills leads me to believe that they are all that is claimed for them. I suffered a great deal from backache and at night could not sleep well. On several occasions my back became so painful and weak that I could not attend to my household work. Being advised to give Dr. Caldwell's Kidney Pills a trial, I did so. They helped me from the first and had I continued taking them long enough I believe they would have effected a complete cure. I was compelled to discontinue their use for some time but I am now taking them again and I believe they will soon rid me entirely of the trouble."

## YOU MUST READ THIS IF YOU WANT THE BENEFIT.

J. W. Greer, Greenwood, La., suffered with a severe case of lumbago. "The pains were so intense I was forced to hypodermic injections for relief. These attacks started with a pain in the small of the back which gradually became fairly paralyzing. My attention was attracted to Foley's Kidney Remedy and I am glad to say after using this wonderful medicine I am no longer bothered in any way by my old enemy lumbago."

## Laxative Sent Free to Try

It may be taken for granted that there is no family of any size that goes very long without needing a laxative. If you don't know of a good laxative, or the laxative you are using is losing its effect, we want to call your attention to Dr. Caldwell's Syrup Pepsin, which thousands of families are using successfully.

We have scores of letters from mothers and scores from prominent men saying they are using it personally and giving it to their families, men like Mr. C. K. Smith of the Traffic Clearing House, Pine Bluff, Ark., and Mr. George B. Turner, a lawyer of Harlan, Ky. The thousands of mothers who use it themselves and give it to their children would take too much space to mention.

The reason they prefer Syrup Pepsin is that it is a mild, gentle laxative tonic that does not gripe—effective and yet so mild that babies can take it. Its tonic ingredients invigorate the body and strengthen the stomach and bowel muscles so that they again do their work naturally. If you have been a victim of salts, pills and strong cathartics you will discard them when you once use Syrup Pepsin.

You can buy a fifty cent or one dollar bottle of any drugist, but before doing so you may want to try it free. If so, send your address to Dr. Caldwell and he will promptly forward a free sample bottle. Then, being convinced, do as others are doing and buy it in the regular way of your favorite drugist.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample, address him Dr. W. B. Caldwell, 23 Caldwell Building, Monticello, Ill.

Judge Dawson is on the road daily and complains that the road over which his route runs is in bad shape. We know positively that the roads over which both Nos. 3 and 4 run are in equally

as bad shape. We are sure that the Stanford and Preachersville turnpikes can not be beaten for badness. Ditches in a dozen places are filled up and great washes were cut across the road bed by recent rain, while the bed rock is about all of the pike there is in sight, the metal having all been washed away; ditches filled up and grassed over while the water seeking a lower level, runs where the horse walks and in each vehicle track. At the authorities could see the bad roads during or just after a rain, immediate action would be taken. To sum the matter up the road question is the most important in Lincoln county today. It is, or should be, of vital interest to every citizen. Let the good work begin with practical men in charge and give Lincoln county the roads she is entitled to, roads she once had.

## Stomach Blood and Liver Troubles

Much sickness starts with weak stomach, and consequent poor, impoverished blood. Nervous and pale-people lack good, rich, red blood. Their stomachs need invigorating for, after all, a man can be no stronger than his stomach. A remedy that makes the stomach strong and the liver active, makes rich red blood and overcomes and drives out disease-producing bacteria and cures a whole multitude of diseases.

Get rid of your Stomach Weakness and Liver Laziness by taking a course of Dr. Pierce's Golden Medical Discovery—the great Stomach Restorative, Liver Invigorator and Blood Cleanser.

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, same being attested as correct under oath.

Dr. Pierce's Pleasant Pellets regulate and invigorate Stomach, Liver and Bowels.

## WELL FITTING CLOTHES

There's no patent on the idea of wearing plain, well fitting clothes, nor is there a copy-right on selling them. Only so many people don't wear 'em or so many dealers don't sell 'em that it's always worth noting. We're here to sell clothes, and--we do. We sell good ones, but that doesn't mean they are dear. We buy carefully from makers we can depend upon, pay for and get good cloth, good lining, good workmanship and good fit. And we sell at a moderate profit.
